

A pixelated, black and white graphic of the text "S1000R + R" in a stylized, rounded font. The characters are composed of thick, blocky strokes with a dithered or pixelated texture, giving it a retro, digital appearance. The "S" and "R" are particularly large and rounded, while the "1000" is more compact. The "+" sign is a simple cross, and the second "R" is also large and rounded. The entire text is centered horizontally.
